THIRTEENTH STATUS REPORT

- The Enforcement Bureau, pursuant to the Orders released in this proceeding on July 19,
 2002 and May 7, 2003 by Chief Administrative Law Judge Richard L. Sippel, hereby files this special status report.
- 2. On September 30, 2004, Dr. Liebermann and Publix Network Corporation entered into a criminal plea agreement with the United States Attorney's Office for the District of Connecticut in New Haven, Connecticut in the criminal proceeding (Criminal No. 3:02CR55 (EBB)).
- 3. In the plea agreement, Dr. Liebermann and Publix Network Corporation pled guilty to:
 (1) making a false statement, in violation of 18 U.S.C. § 1001; and (2) engaging in an unlawful monetary transaction, in violation of 18 U.S.C. § 1957. With respect to making a false statement, Dr. Liebermann and Publix Network Corporation agreed that:
 - (1) the defendants made a material statement or representation;
 - (2) that the statement or representation was false, fictitious, or fraudulent;
 - (3) that the false, fictitious, or fraudulent statement was made knowingly and willfully; and
 - (4) that the statement or representation was made in a matter within the jurisdiction of the

No. of Copies rec'd 0+3

United States.

With respect to engaging in an unlawful monetary transaction, Dr. Liebermann and Publix Network

Corporation agreed that:

- (1) the defendants engaged in a monetary transaction in or affecting interstate commerce;
- the monetary transaction involved criminally derived property of a value greater than \$10,000;
- (3) the property was derived from specified unlawful activity;
- (4) the defendants acted knowingly; and
- (5) the transaction took place in the United States.
- 4. Dr. Liebermann and Publix Network Corporation further admitted, *inter alia*, that they were aware that their employees, while engaged in a TRS call, would strike a key on their keyboard or TTY device in order to prevent the call from being automatically disconnected. By doing this, TRS calls could and were extended with no active communication between the participants in the call. Dr. Liebermann and Publix Network Corporation admitted submitting for reimbursement from the TRS Fund calls that included these minutes where no active communication was occurring. Dr. Liebermann and Publix Network Corporation admitted that they knew that the claims they submitted and caused to be submitted to NECA for reimbursement from the TRS Fund were materially false, fictitious, and fraudulent, because the reimbursement requests included claims for minutes that the they knew did not involve any actual communications.
- 5. The Enforcement Bureau is working with Dr. Liebermann and Publix Network

 Corporation regarding a consent decree that we will present to the presiding judge through a joint motion.

Respectfully submitted,

William Davenport
